Mother nature vs. The Primary Club Marathon Cricket 2012

Following the success of the previous two Marathon Cricket events at the Sydney Cricket Ground, the Committee worked bravely and optimistically towards the 2012 event, well aware that the season in the Sydney area had been plagued with bad weather, washed out games and hours and hours of watching the rain. Mother Nature continued to frustrate us on Thursday 2nd and Friday 3rd February.

Despite the weather, SCG Curator Tom Parker and his team had the wicket and ground in perfect condition, ready to play whenever the rain stayed away. But the rain just beat us. His lads graciously created two specially prepared wickets in the outer on Day 2 so that we could stage our Special Olympics and Blind matches in the rain.

Thanks too to Steve Clark and Laura Barker from the SCG for all the behind-the-scenes organisation – security, cleaning, planning, scheduling and access. To Kate Wells and DNC for all the sensational catering. To Jim and Sue Cameron, for organising the Umpires and liaising with the curator.

Firstly, let me thank each and every one of the Team Managers for your patience, perseverance and, dare I say, perspicacity.

How lucky were the 8 teams who managed some game time in the middle! And how sorry were we for the rest of you! Unfortunately, most of our corporate teams were in the 'unlucky group'. However, we really appreciated the enthusiasm and spirit shown by all those who missed out, who still practiced in the nets or made up games in the rain on the outfield, or just drowned their sorrows in the Members' Bar. There were players from Bathurst, Orange, Newcastle, Condoblin, Wagga Wagga, Mudgee, Young, Goulburn, Maroochydore, Port Stephens, Melbourne and Perth, some of whom we were able to get a message to about delaying or cancelling their departure for Sydney. Others just turned up anyway!

Of the 46 possible team innings (23 matches), 10 innings were completed plus 2 overs of an 11th innings. Only 50 minutes of play on Thursday saw us finish just 1 innings plus 2 overs before 9:30am; and 3 ¼ hours in the middle of Friday allowed 5 completed innings. Finally, our two Special Olympics teams played their game, while the NSW Blind XI competed against the Unquenchables from WA.

Overall, the event was still beneficial to the tune of almost \$90k profit. Not too bad, considering we couldn't stage the drawcard Battle of the Codes event and missed out on additional gate revenue and merchandise sales. The Primary Club was most fortunate that our event costs were subsidised by a grant from the NSW Government, which enabled the planning committee to plan with confidence and attack 'on the front foot'.

An organisation providing sporting and recreational facilities for people with disabilities

Twelfth Man and Patron of The Primary Club of Australia, Richie Benaud, along with several of the Rubby League Legends meet the players from the Special Olymics Team at the Marathon Cricket Dinner

A big contribution to the result comes from the corporate sector, and I would like to single out **Telstra, Cisco and Efficient Data**, each of whom has participated in all three Marathon Cricket events to date. That represents a commitment of close to \$50k by each company to the Primary Club, and an even greater investment in time and energy off the field organising teams, clients and dinner guests. Other corporate teams this year were **Tru Blu Beverages** (their second appearance, and three times supplier of soft drinks for the event), and first-timers **CLSA, Reckitt Benckiser and Medtronic**.

I understand the brave 50-odd Walkers, who, along with Health Minister Jillian Skinner, proceeded to walk in the rain on Thursday afternoon, also raised close to \$14k in funds for Pain Management Research.

The Dinner was a great success, particularly because of the inspiring contributions of Richie Benaud, Rodney Cavalier, Ame Barnbrook (our 2011 Sir Roden Cutler Awardee), Jimmy Smith, Matt Adamson and the other sports 'Legends' and politicians who supported the event and mingled happily with the guests. And

what a fantastic job by MC Paul Gregg and Auctioneer Ed Riley! Thanks to all who contributed to a fun night, while the rain still drizzled on down outside. Most reports have indicated the meal served by DNC was top class, and suitably complemented by the wines donated by **Wattlebrook and Noyce Brothers**.

And my special thanks to Jim Winchester and his Marathon Committee – who all worked extremely hard under the most trying conditions.

But to the Team Managers, our sincere thanks! You bore the brunt of sharing the bad news with many of the players, but you still inspired them to lift their spirits and remember our shared mission at all times. Please sign up again next year so that while you live your dream of playing cricket on the SCG, you too are helping folks with a disability live theirs.

Jim Maxwell, President

And a Post Script from our Twelfth Man and Patron:

“Thank you for the splendid e-mail I received today. Those who are on your mailing list and the Marathon players will be equally delighted. In regard to Ame, ... she is certainly a remarkable young lady.”

Kind regards from Daph and me.”

WHO WON MARATHON CRICKET?

For the record, here are the summary results from the Marathon Cricket games played on Thursday and Friday.

Twelfth Man's Team – Richie		President's Team - Jim	
Total off 70 overs	284	Total off 44 overs	299

Sydney Test Match Breakfast

Under the guidance of MC Mike Coward, former Australia Captain, Steve Waugh, and the Mumbai-based Editor of Cricinfo, Sambit Bal, gave the assembled 460 guests a somewhat different cricket perspective at the Breakfast on the first day of the Sydney Test against India in January.

In brief, Sambit provided some insight into the workings of ESPN Cricinfo, the world's leading cricket website, noting that it reaches over 20 million users every month.

In contrast, Steve did not talk about his stellar cricket career but rather focussed on the work his Foundation is doing to improve the quality of life of children affected by rare diseases highlighting efforts to assist a school for children with leprosy in Kolkata.

Another highlight of the breakfast was the opportunity to invite new NSW Premier and Primary Club of Australia member Barry O'Farrell to the microphone where he announced a contribu-

tion to the Primary Club's Marathon Cricket from the NSW Government.

Our President and Twelfth Man were also on top of their game at the Breakfast and the feedback from our guests suggested that this year's function was one of the Club's best.

Left: NSW Premier and Primary Club of Australia member Barry O'Farrell and Primary Club of Australia President Jim Maxwell and below: Former Australian Cricket captain Steve Waugh takes strike from the Paddington End at the Test Match Breakfast in January.

Forthcoming events

The Primary Club of Australia is committed to holding a number of excellent events for the benefit of our members. These are opportunities for you to network with other members and spend time in the presence of sporting legends - past, present and future.

Wyong Race Day Thursday 2nd August

The popular Wyong Race Day is back on the calendar and will be held this year on Thursday 2nd August. Return coach transfers from a number of locations in Sydney are available to guests on the day.

Tickets are available now and are \$100 for Primary Club Members and \$130 for Non Primary Club Members

Return coach travel on the day from Sydney costs \$40.

The cost of the tickets includes course entry, race book, buffet lunch and wine/beer with lunch.

If you are interested in attending this event - please contact our office.

Sponsoring a race

Please consider booking a RACE SPONSORSHIP PACKAGE: For \$2,750, your company receives a VIP table for 10 at lunch, plus race sponsorship.

Contact our office on 02 9980 2525 for more details.

Pymble Golf Day Monday 15th October

Our Annual Golf Day is back at Pymble Golf Club. The event is an Irish 4 Ball, with a shotgun start at 12.00 pm on Monday 15th October, and of course there will be many individual and novelty events to keep the players on their toes.

More information about the day will be available closer to the day on the Primary Club website.

Test Match Breakfasts Melbourne - Wednesday 26th December Sydney - Thursday 3rd January

Marathon Cricket at Sydney Cricket Ground Coming on two dry* days in 2013.

Early entries for Marathon Cricket 2013 are been taken now. Please contact the office for more information.

* as always - no guarantees on the weather

Details for this and all other Primary Club of Australia events can be found on the Primary Club website and our Facebook and Twitter sites.

5 interesting facts about the primary club

100% of your tax deductible donations to the Primary Club reach the recipient

The Honorary Treasurer of The Primary Club of Australia has written a report explaining that 100% of your tax deductible donations to the Primary Club, as defined by the ATO, reach the recipient. Not one dollar of these funds is used in the administration, raising of funds or publicity. **Very few charities can make that claim.**

We invite you to read this report and learn more about what the Primary Club does with your donation dollar.

<http://www.primaryclub.com/?p=1261>

How much has the Primary Club of Australia donated?

You may know that The Primary Club of Australia has donated over \$4.3 million dollars to charity but did you know that converted into 2012 dollars The Primary Club of Australia has donated over seven million dollars to charities since 1974. A full list can be seen on our website.

Marathon Cricket - 2010, 2011, 2012, 2013 & ...

In just three short years, over 1,200 cricketers have played in Marathon Cricket at the SCG. Three corporates - **Telstra, Cisco and Efficient Data** - have participated in all three events to date, outlaying \$115,000 in participation fees between them.

The Sir Roden Cutler Award

Ame Barnbrook is the PCA's ninth Sir Roden Cutler winner - the previous recipients are:

James Pittar (Swimming) 1999; Zoltan Peglar (Yachting) 2000; Michael Milton (Skiing) 2001; Julie Higgins (Equestrian) 2002; Ben Felten (Rowing) 2003; Jan Pike (Equestrian) 2004; Kurt Fearnley (Wheelchair Marathon) 2006; and Brad Dubberley (Wheelchair Rugby) 2009.

The Primary Club of Australia Committee

The Primary Club of Australia Committee has met 408 times since 1974. The Committee are all volunteers who donate their time, skills and expertise to ensure that the Primary Club of Australia continues to have 100% of your tax deductible donations to the Primary Club reach the recipient. The services donated by the committee include planning of events like Marathon Cricket, the golf days, the Test Match Breakfast, graphic design and editing of the Annual Reports, newsletters, brochures and the website, organisation of Victorian activities and the managing of the Primary Club of Australia's accounts and governance responsibilities.

The committee is always looking for people like yourself committed to making a difference for people with disabilities to support us in our endeavours. If you would like to volunteer for our events or to provide services - please contact the Primary Club office on 02 9980 2525.

A Day at the Races

The return of the Primary Club Race Day at Wyong Race Course

After about a 5 year lay-off, the Committee re-introduced the popular race day meeting at Wyong.

On Friday 30th September last year, 120 members, sponsors and their guests enjoyed a good fun day out in delightful spring conditions. Special thanks to the sponsors on the day - **Berkeley Vale Hospital** (Michael Siddle), **Cook Care** (Francis Cook), **Bell Total Logistics** (Dean Bell), **French Country** (Jim Morrow), **Unwined Bar**, **Lane Cove** (Luke Harriss), **Specialised Wheelchair Company** (Iain Hogg) and **Sydney Kitchens** (Doug McEwen).

The winning horse in the Primary Club Cup, Lisa Lose It, is photographed with former top jockey, now well-respected trainer Gerald Ryan (left) and Jim Maxwell and other connections at the Cup presentation.

The year

What a great summer of cricket it has been!

Something for everyone: fast hundreds, slow hundreds and even a three-hundred plus lots of wickets from some great new fast bowlers.

The Big Bash Twenty/20 has seen record crowds and TV audiences and some amazingly close games.

What a great summer of cricket it has been! Something for everyone: fast hundreds, slow hundreds and even a three-hundred plus lots of wickets from some great new fast bowlers.

The Big Bash Twenty/20 has seen record crowds and TV audiences and some amazingly close games.

Australian supporters will be pleased to see their team back to its dominant best with a 4-0 whitewash against the classy Indian team, and then the exciting finals series against Sri Lanka in the one-dayers.

For those keen Primary Club followers there have been 19 Primaries (or Golden Ducks) so far this summer, with more international cricket still to come:

Mike Hussey tops the list with FOUR (Melbourne 1st Test vs India, Hobart 2nd Test vs NZ, Cape Town 1st Test vs SA, 4th ODI in Sri Lanka), followed by Xavier Doherty and Brett Lee TWO each, then Brad Haddin, David Warner, Clint McKay, Shane Watson, Mitchell Johnson, Peter Siddle, Shaun Marsh, Nathan Lyon, Matthew Wade, David Hussey and John Hastings with ONE each.

You now have the opportunity to donate the standard \$5 fine for each of these with the membership renewal in this mailing.

Follow the Primary Club of Australia on Facebook and Twitter.

And what might you find there - information about forthcoming Primary Club of Australia events, details about donations by the club, comments from guest bloggers about the latest Australian Golden Duck or just come and find out about what the Club is up to.

Primary Club in the community

The Primary Club visited Vern Barnett School, Forestville

Geoff Verco had the pleasure of representing the Club at a morning tea at the Vern Barnett School, Forestville, on 15th March, at which the CEO of Aspect (Autism Spectrum Australia) Adrian Ford recognised and thanked a number of benefactors including the Primary Club of Australia.

The Aspect Vern Barnett School was the first Aspect School, established in the early 1970s to provide autism specific education programs. It is an independent school and provides placement for approximately 108 children with an autism spectrum disorder of 3-16 years of age from across Northern Sydney Metropolitan areas and the Far North Coast. The school operates from Forestville, plus it has eleven satellite classes in both NSW Department of Education and Catholic Schools throughout the northern suburbs of Sydney and at Alstonville on the Far North Coast.

The school is one of several which had been the recipient of a grant from the Primary Club for special playground equipment. Recess and play times are a vital part of each child's integration into the school community, enabling more voluntary communication with peers and faculty.

Several Primary Club Committee members attended the 6th Annual NSW Aspect recognition awards ceremony on Monday 2nd April at Darling Park with Aspect Patron John Doyle AM.

Photo above: Geoff Verco, School Principal Lara Cheney, Aspect Planning Giving Manager Sarah Pieters, and Aspect Board Member Ian Joseph

Special Olympics City vs Country at Bowral

Not really knowing what we were in for last Anzac Day, four Primary Club members – Rick Glover, Jim Winchester, Peter Werner and Geoff Verco - attended the Special Olympics City vs Country cricket day at Bradman Oval at Bowral.

What an amazing day - sunny, but cold and windy! SCG Chairman Rodney Cavalier also attended and delivered a brief address at the luncheon break about the famous ground and the Bradman legacy.

Rodney recounted how Don Bradman was taken as a young boy to the SCG by his father, and became inspired by the aura of the arena. So, the Primary Club today is granted use of the SCG to stage its Marathon Cricket event and inspire hundreds of cricketers - both with and without disability - and has much to be proud of. There were about 35 SO athletes, who competed in the morning games for selection in two representative sides, City and Country, which faced off in a Twenty/20 fixture in the afternoon. The inaugural fixture was named the "Trin Taber Cup". Trin is a Special Olympics volunteer, who has worked tirelessly for the cause on the South Coast of NSW for over 20 years and can be seen in the photo below flanked by the captains - Brett Bottle and Jason Nelson.

All players received caps and shirts (funded by the PCA), even the 'reserves'. The four PCA members had work to do from 9am to 4pm - whether coaching, managing teams, scoring, practice nets, whatever. Jim Winchester did his best impressions of Jim Maxwell at the mike, commentating and interviewing throughout the main game in the afternoon. Sorry, Jim W, you fell a long way short of that standard, but entertaining still the same.

Other organisations who had a hands-on support role at the event included Sydney University CC, Northern Districts CC, Bowral CC (including many of their junior player/members), Bradman Foundation, Rotary Club of Bowral/Mittagong running the BBQ all day, and the local shire council. Very well organised by the SO Committee (Ange Clarke, et al).

We the Primary Club could have done so much more. We should have invited all our members in the Southern Highlands, ACT and South Coast, and allocated jobs on the day. Next time, bring the family and make a picnic day out at the fantastic facility there. This has the potential to become a regular PCA event; not so much for fund-raising, but for getting involved, sleeves-rolled-up stuff. A celebration of people with a disability enjoying the game we all love!

Oh, and the result? NSW Country 8/67 (C. Mitchell 25, N. Quan 2/5) lost to City 7/77 (C. Fraser 17, D. Rutherford 11, S. Undries 21, L. Masterson 3/3) with the winning run scored off the second ball of the last over of the day.

Victorian Operations

The Primary Club welcomes a new committee to Victoria

Firstly, I would like to introduce the new Committee and pay tribute to the outgoing committee members.

Collectively we all thank the outgoing Committee under Bill Carroll (Chairman for last 5 years) - Marilyn and Geoff Cottrell, Pamela Thomas, Carl Nunan, Kevin O'Byrne and Roland Burt - for their tireless efforts and years of dedicated service to the Primary Club here in Victoria. They have done an outstanding job over a long period of time and handed the baton on for the club to keep growing.

The new committee now consists of: Geoff Craig (who also represents Victoria on the National Committee), Edward Kemp, Roland Burt, Gideon Haigh and myself Ross Burney as Chairman.

We are all passionate cricket supporters and very keen to see the Primary Club grow its membership base here in Victoria, increase its profile and continue to fund and facilitate various sports for people with disabilities. We recently approved an application for a \$30k grant from the Morabbin Bayside School for playground equipment, and need the ongoing support of our Victorian members.

Communications

The Primary Club has very recently joined the internet age - not before time. Whilst we have for a long time had all your email address, we now also offer a new and revamped web site where membership renewals and donations can be done on-

Players enjoying the Peninsula Golf Day in October: Neale Price (Cricket Australia), John Lill (The Lords Taverners National President), Tim Winter (TLT Victorian Treasurer) and Ken Forge (former Essendon AFL Player)

line. Our membership database is now online, and soon members will be able to update their details online. We also are now on Facebook and are reaching out to both the older members and younger audience to follow us here.

Recent Events

Golf Day at Peninsula Golf Club organised in concert with Lord's Taverners on October 14 - a great day out, thanks to the Cottrells once again and Tim Winter from TLTs, raising \$6k in total. Congratulations to Philip Mahoney from Special Olympics who won the individual stableford score on the day.

APS Schools Twenty/20 - 12 school teams participated in this inaugural event on December 3, spread over fields at two host venues - Scotch and Xavier Colleg-

es. This was a great opportunity for the Primary Club to introduce the concept of playing the game we love for fun, while raising a few dollars along the way to provide some disabled kids with sporting opportunities. Another \$3k was raised, and we are already planning for a similar event in season 2012/13.

Boxing Day Test Breakfast - for the first time we advertised to Victorian and Interstate members the opportunity to join the very popular Lord's Taverners Breakfast held on Boxing Day itself, plus we made available special seating at the MCG for Primary Club members without tickets. This was our first venture into providing this sort of service offering to our own members. While the take-up was modest in numbers, we believe it is worthwhile doing again, with the co-operation of partner organisations like Lord's Taverners and Melbourne Cricket Club.

Patrick Brady spent time with the ABC Commentary team in the ABC Booth on Day 2 of the Test, a prize he had won at our RACV Luncheon earlier in 2011.

Hepburn Springs game - The Primary Club and the Australian Cricket Society had their annual clash at Cricket Willow near Shepherd's Flat in country Victoria on Sunday, 29 January, this time with the Primary Club joining forces with the Lord's Taverners for what may likely be three-way Club outing going forward.

The Primary Club/Lord's Taverners made a respectable 153 in the morning, with Paul Green and Phil O'Rourke making 35 and 34 respectively, and Chris Penman, in his once a year outing, a hard hit 26.

Philip (centre) with Kevin O'Byrne (l) and Geoff Cottrell. (r)

Primary Club of Australia member Patrick Brady (centre) with Harsha Bhogle (left) and Drew Morphett (right) during his visit to the ABC Commentary Box at the Melbourne Test Match.

In reply, and in conditions typically favouring the batting side as the dampness lifts and the effects of a lovely lunch descend, the PC/Tavs, captained by Tim Winters, managed to restrict ACS to 4/147 from their 40 overs. Roland Burt for the Primary Club took a commendable 3/15.

All players and considerable support attendees this year enjoyed the wonderful hospitality in an environment beautifully maintained by the Tinetti family.

The camaraderie and spirit amongst all the players and the support group are important features in the longevity of the Primary Club in Victoria.

Upcoming Events

The PCA Victorian Committee will be looking to host a couple of marquee events throughout the year and will be writing to members for their support. This will include a gala function with well-known keynote speakers as well as a number of other events. Please watch this space.

Ross Burney, Chairman Victorian Committee

Hippocampes | Freedom to go anywhere

The Primary Club of Australia funded the purchase of several Hippocampe all-terrain wheelchairs for the South Coast Primary Care Partnership.

What are Hippocampes? Towed, pushed or self-propelled, they enable users to turn obstacles into opportunities whether they're on the beach, rambling in the woods or out on the piste. Hippocampe enables everyone - of any age - to enjoy outdoor activities to their full ability. In short, Hippocampes puts the fun into function.

They were recently used at the Inverloch Beach Festival. The day was very successful and the hippocampes were very well received with many people trying them on the day. They will be a great asset to the communities of Bass Coast and South Gippsland.

Elanora excels

With the summer of rain Sydney has endured over the last 6 months, Elanora Country Club put on its best face and presented a glorious day for 96 members and another 20 guests on 26th March last.

Winners of the feature event, a Mixed Irish four-ball, were Sue Purcell, Pru Bolton, Noel Purcell and Ern Pope with 91 points. Runners-up were Marc and Dinny Biancardi and Rex and Julie Hoeben (pictured below)

Past President Rodney Tubbs entertained the evening dinner guests as he sought to extract auction dollars for the range of prizes on offer. The overall event yielded in excess of \$16,000 to go to the North Rocks Special School's playground project.

Photo right: Runners-up in the Women's 2-ball were Marg Joppich and Lyndall Cummine.

WHEELCHAIRS SPORTS & THE WHEELKINGS

The Primary Club of Australia are proud supporters of Wheelchair Sports and have donated several wheelchairs to the organisation. We're sure some of the chairs will be in action on the 26th May at 7.00pm when the Sydney Wheelkings play against Dandenong at the Sydney Uni Sports and Aquatic Centre, Darlington Road, Darlington.

Right - The poster for the Sydney Uni Wheelkings 2012 season. Below is one of the wheelchairs donated by members of the Primary Club of Australia to Wheelchair Sports.

Final thoughts

Recollections from Richie - from the Marathon Cricket dinner

Paul Gregg (Sky Sports) was Master of Ceremonies at the Marathon Cricket Dinner on Thursday 2nd February last. During the evening, he interviewed Twelfth Man and Patron, Richie Benaud OBE. Here are some fascinating excerpts from the interview:

PG: Richie, you debuted for Australia on the SCG almost 60 years ago today, January 25 1952 to be precise, in the fifth and final Test of the Series. You only captured one wicket in that game, Number 11 Alf Valentine at the end of the second innings.

RB: Well, I didn't get a bowl in the first innings - Lindwall, Johnston and Miller rolled the West Indies for 78. We had them chasing over 400 in the second innings. Lindsay Hassett gave me an over early in the innings and I had Weekes dropped by the keeper (Langley). Again Ray and Keith got a bag full. Finally, during my fifth over I snared Alf Valentine. Boy, could he bat - the best Number 11 I've ever seen! That won the Series for Australia 4-1.

PG: I've been checking the records, Richie, about your personal "Golden Ducks". Your last tour to England was in 1961. The third Test was in Headingley and Cricinfo records that you were bowled by Freddie Trueman first ball in the first innings. In the second innings, you were also bowled by Trueman for a duck, but the records don't show the number of deliveries. Was it a "King Pair"?

RB: Let me tell you a bit more about that event. Although you weren't there, it is true that we'd just come from a win at Lord's with Neil Harvey as captain. I'd been out with an injured shoulder. On arriving at Headingley, we inspected the wicket. "Rubbish" was the best way you could describe it. We were all out for not much more than 200 in the first innings, with Freddie getting a "Five for". In the second innings, Trueman came off an 11-pace run, and was cutting the ball further than I could spin it. Yes, I got a pair, but not a king pair; I think I lasted two balls. At the conclusion of the match on Day 3, Fred came in for beer, put his arm around my shoulder and said in his broad Yorkshire brogue "Sunshine, bad luck, don't worry; it would have got out even a half-decent batsman."
