PRESIDENT'S MESSAGE

As we close our 50th year of operations, this Annual Report provides considerable insight into the success of our special events in 2024/25, such as the Baggy Green Dinner, Primary Club Cricket Team's recent season, our Golf Classic at St Michael's Golf Club, Sydney Test Breakfast and the North Sydney Oval Festival. We also enjoyed a re-connection with our cricket cousins in Victoria, promoting events for Taverners Victoria and Australia Cricket Society.

Our financial reports demonstrate a healthy surplus with increased donations and profits from our events. Donations increased in part due to the Aussie cricketers who suffered the embarrassment of scoring a 'primary' in international cricket matches – 13 of them, in fact! This in turn enables the Club to assist more charity projects.

More importantly, chair of our Charities Sub-Committee, Derick Borean reports on the 10 new charity projects approved during the year and where they will make a positive difference. At the Dinner, we celebrated another three amazing athletes as winners of the Sir Roden Cutler Award.

We have an exciting summer of cricket coming up. Our Australia Women's teams command respect from all comers in all forms of the game. Our Men's teams have the potential to do the same, but seem to lack consistency, mainly in the top order batting ranks. The Ashes Summer, when we host traditional rivals in the 5-day format, promises to be one of the best in decades.

Already we have almost sold out our Sydney Test Breakfast, plus seats in our A Reserve sections at the Adelaide, Brisbane and Sydney Tests.

I wish to recognise the invaluable role played by our Ambassadors through the year. Recently, Damien Thomlinson joined their ranks. Damien, a former Sir Roden Cutler Awardee is a regular attendee at our functions. Liesl Tesch AM MP has agreed to be our parliamentary host at the next Baggy Green Dinner, now moved out to July 2026. Matt De Groot has sought 'leave of absence' while in the UK but will return to MC our Sydney Breakfast on 4th January.

During this 50th Anniversary Year, we encourage Members to renew your membership, invite your colleagues, friends and family members to join in the fun-raising, and volunteer where and when you have the time. Have a wonderful year ahead!

FINANCIAL REPORT

PRIMARY CLUB OF AUSTRALIA INC SUMMARISED AUDITED FINANCIAL INFORMATION

Year Ended 30 June 2025

REVIEW OF OPERATIONS

The operating surplus of the Club for the year, post donations paid or committed, was $55,079 (FY24 deficit of $4,419). The Club's continuing efforts during the year consisted of organising and undertaking fundraising activities with the purpose of donating funds raised to specific causes as agreed upon by the Club, in accordance with the Club's Charter. A summary of the financial performance is set out below.

	FY25	FY24
Total revenue	501,670	397,910
Surplus before donation	172,088	95,356
Donation committed/ paid	(117,009)	(99,775)
Operating surplus/deficit	55,079	(4,419)

Comments on the operations and the results of those operations are set out below:

a) The Club has continued with the policies of recognising any commitment to pay a donation when the donation is approved by the Charities Sub-Committee, or General Committee, in accordance with the authorisation limits set. This provides a clearer picture of the Club's ability to meet current and future donation obligations.

b) After donations paid and committed to charities of $117,009, the Club recorded an operating surplus of $55,079 for FY25.

c) The Club recorded increased total revenue in FY25 compared to FY24, due to two major events, the Baggy Green Dinner and the St Michael's Golf Day.

d) Cricket match fees remained similar to last year.

e) Operating expenses (excluding donations paid and committed) were $13k higher in FY25 compared to FY24, mainly due to increased function expenses. The committee continuously reviews our expenses and assesses ways to optimise our efficiency, although we are not unique in encountering challenges due to rising costs linked to increases in the cost of living. Where possible we have tried to keep event fees flat, so costs to members do not increase.

f) The Club remains in the position where every tax-deductible donation received by the Club is used in our charity program.

Insurance

During the financial year, the Club paid a premium of $2,341 (FY24: $2,005) to insure the committee members, volunteers and special risks.

Auditor

SDJA has been engaged to act as the Club's auditor since June 2020.

Significant Changes in State of Affairs

There were no significant changes in the Club's state of affairs that occurred during the financial year.

Principal Activities

The principal activity of the Club during the year consisted of organising and undertaking fundraising activities with the purpose of donating funds raised to specific causes as agreed upon by the Club, in accordance with the Club's charter.

Signed on behalf of the members of the Management Committee.

Mark Phipps
Honorary Treasurer

OUR CHARITY DONATIONS

In the 2024-2025 financial year, the Primary Club of Australia approved 10 new applications for funding from our charity partners. In total, new grant commitments for the year came to $117,009. Member contributions continue to make a substantial difference to the lives of countless people living with disabilities across Australia. Some of the funding approvals included:

•Boccia Australia, $7,427 for 'start-up kits' for Vincentia, NSW.

•Autism Spectrum ('Aspect'), $50,000 for gross motor skills play space at Vern Barnett School, NSW

•Making Waves Foundation, $5,934 for safety equipment for training yacht, Geelong, VIC

•Disability Sports Australia, $7,500 for 'accessibility champion' equipment kits

•Rainbow Club, $8,346 for swim caps for 500 children in squad events

•Community Rowing, $7,197 for ease-of-use rowing equipment, NSW

•Manly Wheel Eagles, $7,500 via Sargood for junior wheelchairs for basketball, NSW

•Goalball Australia, $6,394 for equipment for national squad

•Sailability Townsville, $11,215 for new sailing dinghy, QLD

•Blind Cricket Aust, $1,306 for equipment for BCA's women's training

I wish to acknowledge the great work by Shirley Beaumont Owles and Brad Oldridge who continue their valuable contributions on the Sub-Committee.

Derick Borean
Chair, Charities Sub-Committee

WHEELCHAIR BASKETBALL

"Primary Club Members would be very pleased to know that the basketball wheelchair funded by the Primary Club is getting very good use indeed, by one of our players, Saxon.

"Saxon is one of our local players, who represented the Manly Wheel Eagles in the recent State League competition. He is 21 years old and sustained his spinal cord injury in the last two years. Having a purpose-built low pointer chair for people who have a high spinal cord injury, like Saxon, is imperative for safety and building confidence.

"The Manly Wheel Eagles won the State League competition a few weeks ago, which was a massive achievement."

OUR CHARITY DONATIONS

SAILABILITY TOWNSVILLE

"I would very much like to thank all at the Primary Club for your very kind donation of Golden Duck 2! Having a new boat makes a huge difference to our club and now we are able to get even more people out on the water and having fun. We are very excited to have another boat in operation and very much appreciate your generosity in making this donation.

"We held a launch ceremony for our new Golden Duck 2 on 5th of June at the disability pontoon at the Townsville Recreational Boat Park. Many thanks once again!"

Andrew Shook
President, Sailability Townsville

DISABILITY SPORTS

The kits funded by the Primary Club include 8 large kit bags, containing cones, first aid kits, audible footballs, ball nets, blind balls for soccer, basketball and cricket, tennis kit, hula hoops and more for DSA's Abilities Unleashed program. The kits have already been loaned out for events in regionals centres such as Wyndham VIC, Georges River, Blacktown, Liverpool, Fairfield and Lake Macquarie.

Kristy explains, "These kits will be going to members of the community who are delivering inclusive programs and doing amazing work in the disability sport space. The initiative will be called Accessibility Champion of the Month, recognising and celebrating those who are making a real difference in creating opportunities for people with disability to participate in sport and recreation.

"We think this is a great initiative because it not only acknowledges the effort of individuals and clubs but also inspires others in the community to think about accessibility and inclusion in their own programs. It helps to build a culture where everyone's participation is valued and supported.

"We really appreciate Primary Club's support in making this possible for our community."

OPERATIONS & EVENTS

The spirit of volunteering is what helps our charity progress and achieve new milestones helping our target community of 4.4 million Australians living with a disability.

Our Members and their guests experienced a busy 2024/25 summer with all the international and local cricket being played, plus the range of the Primary Club's own events.

Director of Operations

THE ST MICHAEL'S GOLF CLASSIC 2025

Ranked in the top 10 golf courses in NSW, and in the top 50 nationally, St Michael's golf course was in great condition despite many rainy days in the weeks prior to our event. The Club attracted 95 players on 14th May; 28 of them played in foursomes entered by our gracious hole sponsors - Allen & Unwin, Betr, FDC Building, Goodman, Ord Minnett, Nova Entertainment, NSW Government and SURA/ Austagencies.

The presence of those sponsors, plus our wine supplier Hentley Farm, had a positive impact on the day, enabling us to raise almost $45k for our designated charity commitments at Cerebral Palsy Alliance and the Rainbow Club. We appreciate the support from prize donors – Golf to the Max, Rugby Australia, Bonville Resort, Australian Golf Club, Rich River Golf Club, Mi Casa Patonga, Gai Waterhouse, Allen & Unwin and St Michael's Golf Club,

President Jim Maxwell and another 10 people – volunteers and partners - joined the 'Field Day Buffet' that followed. Jim greeted all the players and listened to their mournful stories about on-course performances.

Stephanie Brantz was MC on the day with help from Tim Gilbert.

North Sydney Hotel once again donated the 'Tower of Beer' on the 8th fairway.

Primarians at Play - Gold Day Winners, Greg Stark and the Borean Team

Winners on the day in the 4BBB format were as follows:

•Perpetual Team Event – Derick Borean's Team comprising Toby Roderick, Paul Tannock and Kristopher Mason (119 pts)*

•Mixed Team Event – Stephen Whelan, Ann Bennett, Stephen & Lynne Toomey (99)

•Ladies Single – Cathie Thompson (29)

•Men's Single – Greg Stark and Yves Silveira (41)

*It's interesting to point out that 8 teams were within 9 points of the winners; so a very competitive field.

Finally, we want to recognise and thank our volunteers on the day, in particular Trish and Vivian helped with selling raffle tickets. Well done, all of you!

SYDNEY TEST BREAKFAST

We were thrilled to host almost 390 members and guests at our annual Test Breakfast on 3rd January – a prelude to Australia hosting India in the Sydney Test, in the presence of Twelfth Man Mark Taylor AO, President Jim Maxwell AM and MC Brett Sprigg. (This was our largest number of guests since 2018 and before COVID when 448 attended the England breakfast.)

Highlights included the panel interview with Mark Taylor, Ed Cowan and ESPNcricinfo's deputy editor Andrew McGlashan, and a bit later an informative chat with NSW Wheelchair Basketballers Rhys Baxter and Koen Jansens, the latter a winner of our Sir Roden Cutler Award in 2024.

$32,500 was raised for approved applications for special treadmill equipment at Cerebral Palsy Alliance sites in Orange and Wollongong. Special thanks to our corporate supporters – Goodman, Argenti and Breene & Breene.

We look forward to January 2026, when the SCG will be hosting England in what will be a great Test Match contest.

Deputy President

NORTH SYDNEY OVAL FESTIVAL

Following our success in the last six summers, we were granted access to the fabulous North Sydney Oval once again to allow the Primary Club to host two charity cricket days - 'Marathon Cricket XIII' on Monday 3rd March and 'Insurance Ashes VII' on the Tuesday. By compacting the program somewhat, we also included 'The Breakfast Plate' early on the Monday morning, for club and social teams. Despite rain in the forecast for both days, the cricket gods looked down on us, and we did not lose one minute due to weather. Thanks again to curator Jordan Magro and the hard-working ground staff!

St John Medical Service provided first aid consultants on both days, sponsored by Steadfast and SURA respectively. This year there were no serious injuries amongst the players, apart from some wounded pride and muscle soreness. Thanks again to St John and those sponsors.

Each evening, we invited the Last Man Stands ("LMS") organisation to stage some demonstration T20 games, with their players also helping to raise funds for the Club. Finally, special thanks to our 14 volunteers over the two days! They maintained their enthusiasm throughout, as did Andy, Phil, Kris and the team of LMS umpires and scorers, who kept the program on schedule and provided instant updates on the scores and rankings. Great work, guys!

Over $38,000 was raised for our charities over the two-day festival, another great result.

Marathon Cricket XIII

We were pleased to host four corporate teams on the Monday – Equinix, the Breene Machine, newcomers Goodman and a PCA Invitation XI. The format was a four-way round-robin tournament with rankings determined by net run rate ('NRR'). The top two teams played a five-over final playoff, where the reigning champions Breene Machine defeated Goodman by a comfortable 18-run margin.

Insurance Ashes VII

A big shout out to the insurance industry teams who participated – Austbrokers/SURA, CGU, Chubb and newcomer NRMA Insurance. Reigning champions, Steadfast Group, were unable to participate but still chipped in as an event sponsor.

Following a similar format to Monday's event, we had a four-way round-robin tournament. In an amazing final, it came down to the very last ball, where Austbrokers/SURA defeated NRMA by just 3 runs. Smiles all round and lots of 'high-fives'!

THE BAGGY GREEN DINNER 2024

The 'Baggy Green Dinner' incorporating the Sir Roden Cutler Awards honouring the significance of representing one's country was held at the Sydney Cricket Ground Noble Dining Room on Thursday 25th September. It was truly an inspirational experience, with 200 Members and guests in attendance. The Sir Roden Cutler Award is named in honour of the longest-serving Governor of New South Wales, Sir Roden Cutler (Governor from 1966 to 1981) and our first Patron and Twelfth Man. The Award is presented for outstanding sporting achievement and contribution by a person with a disability.

The finalists who each receive a medal and a charity grant of $7,500 were:

•Bronte Marshall, para-athlete, who has represented Australia in international swimming and rowing events winning multiple medals.
•Rae Anderson, a dual summer and winter Paralympian and more recently a "Para Matilda".
•Koen Jansens, a former international basketballer representing Netherlands and teams in Italy and Spain. Koen is Co-Founder & Board Director of Wheelchair Basketball Australia (WBA).

As Koen was unable to attend, his medal was accepted by fellow basketballer, Rhys Baxter, who proved to be an entertaining ambassador for the sport. Our MC Stephanie Brantz conducted the award ceremony with grace, dignity and just a hint of emotion.

Other highlights included President Jim's 'interview' with former Aussie cricketer (and comedian) Wayne Phillips, plus a fireside chat between renowned journalists Peter Lalor and Mike Coward.

VALE

THE HON ROGER GYLES AO KC
1939-2025
Roger, a Foundation Member and Golden Duck Donor of the Primary Club of Australia, passed away in early March, aged 86. He held various judicial appointments in NSW in a period spanning three decades after distinguished practice as a solicitor and barrister, culminating in his time as Acting Judge of Appeal in 2008. Other judicial roles included the Supreme Court of the ACT, Australian Competition Tribunal and Administrative Appeals Tribunal.

Roger's foremost dedication was to his family and then his love of sport, particularly cricket and rugby. He was a keen cricketer in his younger days and served several years as President of the Syndey University Cricket Club and the Killara Golf Club. Roger was a regular attendee at Primary Club functions over many years.

ROBERT ERIC HORSELL OAM
1940-2025
Bob Horsell was another long-time member of the Primary Club. His obituary records that he was a 'cricket tragic through and through' and a senior administrator, a great lover of all sports but especially Easts Cricket and Rugby Clubs. Bob served as Chairman of the NSW Cricket Association and as a Director of The Australian Cricket Board. In 2012, he was awarded the OAM for services to Cricket Administration.

One of the most widely revered cricket administrators in the country, Bob dedicated over six decades of service to the sport, tirelessly serving the cricket community since 1959.

(Above) Roger Gyles; (Left) Robert Horsell OAM;
(Below) Shaan Verco

SHAAN ELIZABETH VERCO
1943-2025
Shaan had been a Primary Club member for almost 30 years, and a tireless volunteer for the charity, mainly supporting her husband Geoff in his role as Development Manager. Shaan attended most Dooralong matches, charity functions and fund-raising events over those decades, often helping with 'meet and greet', selling raffle tickets, setting up rooms and clearing up afterwards. Many will recall the 10 or so cricket tours with the Primary Club, where she would organise the local town and sight-seeing activities while the 'blokes' played their matches. All the other females in the squad became her 'besties'!

Shaan passed on 13th May, the day before the Club's annual golf day. Deputy President Rick Glover led the players in a moment's tribute at the beginning of the event.

SYDNEY CRICKET REPORT

Greg Stark took the reins as the new Club Cricket Captain, with Andy Wildblood adding his leadership and mentorship as Cricket Club President. We also welcomed a new Cricket Secretary, Ross Anderson (with Rob Stevenson providing enormous support from across the globe to transition Ross into this enormous role). Damian Frittum, Craig McIntyre and Jon Prior resumed their committee roles to help bring the season to life.

We attracted some fresh new talent over the off-season, including Lachie Border, Andrew West, Raj Kiran and Omair Khan. We also added new young talent including Finn Harricks (Pat Cummins doppelganger!), Hugo Neville and Oliver Scott, as well as seasoned cricketers such as Steven Sheakey, Matthew Needham and Susrith Vasansetti.

Season highlights and milestones include:

- Captain Greg Stark becoming the first player to reach 100 matches for the club, while Damian Frittum and Vince Creagh both reached 50 matches for the club.
- In the Jack Pace Shield we tasted defeat vs Old Aloys in our first ever JPS Final.
- Yet another loss (that's 40+ in a row!) vs an incredibly talented Blind Cricket NSW XI at Bankstown.
- The Challenge Shield match vs Fire & Rescue NSW XI, and battling it out vs Barker College at Barker College, two new matches on the annual PCA fixture
- With the sad passing of Jim Hadley, who played a number of games for Primary Club, The Jim Hadley Memorial Trophy match was played and won by Primary Club against Cricketers Club, and will be an annual fixture, including a post-match "Shoes off for Jim" ritual.

Primarians at Play- images from various cricket matches through the season, including our blind game (above) at Bankstown, and Damian Frittum (left) after scoring 72 in the Jim Hadley Memorial against CC NSW at Camperdown
